

**DO YOU KNOW OR SUPPORT SOMEONE IN THE S18 AREA WHO
WOULD BENEFIT FROM COMING ALONG TO
THE GREAT DRONFIELD GET 2GETHER?**

Tuesday 16 October 2018

Dronfield Sports Centre, The Civic Centre, S18 1PD

10.00am-3.00pm

The Great Dronfield Get 2gether is a free event for the local community to raise awareness of local provision available to support people aged 55 years and above living in the Dronfield area.

We want to ensure that those attending the Get 2Gether are those who will benefit the most and we need your support to help us engage these people.

*Our aim is to provide an informal, welcoming and enjoyable environment for residents to find out about a variety of local services, organisations, clubs and groups that are available to support them to **maintain independence** and be **better-connected** and **more socially active** within their local community.*

There will be a wide range of services and groups who will have stalls on the day, providing information, support and advice. There will also be taster activities and a refreshments corner, serving free hot drinks and light refreshments for attendees.

Some assistance with transport may be available, as we know that lack of transport can be a barrier to attending – please ask and we will advise.

We are seeking referrals from professionals and local groups/organisations, who are in contact with people at risk of loneliness or isolation who would benefit from support from a range of local services, organisations or groups.

This may include residents with limited family and social networks and those experiencing, for example, long term ill-health, bereavement, fear of crime, poor mobility, unemployment etc.

We would be really grateful if you would use the attached Referral Form to book a place for the person(s) you would like to recommend to attend. Please return it to dronfield2gether@dva.org.uk by 5 October 2018. Contact Shelley Hinson, Dronfield 2gether Coordinator, on 07890 843166 should you have any questions.
